It is imperative to a successful short sale that all documents and information be shared with Linnell & Associates in a timely fashion. This includes any and all documents you may receive in the mail from your lenders and/or lender's attorneys (Trott & Trott, Orleans Associates, etc.).

Please note that the short sale process is usually lengthy. Therefore, the quicker you respond, the more expeditious the process.

It is also important to note that the following documents are required by most all lenders. However, the quantity of each may vary from lender-to-lender. Therefore, it is very possible that we may ask for additional or updated documents as the short sale process progresses.
